This Licence's conditions and rules will be extended by the Marina owner at their discretion with revised conditions, if applicable.

The Owner agrees to move the Boat in accordance with the Marina's instructions and authorizes the Marina to move the Boat at the Owner's discretion when unattended, at the boat owner's expense.

Indemnity: The Owner agrees to pay the costs of all damage to the Marina's property and to the property of other occupants of the Marina resulting directly or indirectly from the Owner's negligence or the negligence of his/her agents, invitees, crew, family members or guests. Without limiting the foregoing, the Owner covenants to indemnify and save harmless the Marina against any loss, cost, suits, claims (including penalties and fines) arising out of or in connection with the discharge or release of any fuel, chemicals, waste or other pollutants, or violation of any statute or regulation relating to the use, operation or ownership of the Boat by the Owner, his/her agents, invitees, crew, family members or guests. No Assignment or Sublet: The Owner agrees that they will not assign this Licence or sublet the space rented herein without the written consent of the Marina.

Insurance: The Owner agrees that they will not do or permit to be done any act or thing which may make void or voidable any insurance upon the Boat or any property or any part thereof upon the Marina premises or which may cause any additional premium to be paid for any such insurance. The Owner shall indemnify the Marina for the costs of any increased insurance premium required to be paid by the Marina.

Rules & Regulations: The Owner agrees to conduct themselves in compliance with all rules and regulations of the Marina. - The destruction of the mooring facilities by fires, storm, or other calamity.

Third Party Service: The Owner further agrees that while their Boat is on the Marina's premises they shall not hire or permit any person or any company, other than the Marina, to perform any labour thereon or to make installation of equipment thereof, it being understood that the Marina does not permit third parties to complete or conduct labour or services on its premises without its express written authorization due to insurance and occupiers' liability concerns. When the Marina does not directly offer these services, permission from the Marina administration at the Marina's sole discretion, must be obtained for an offsite company to work on the premises. The foregoing limitation is not intended to prevent the Owner or their regular crew from doing such work on their Boat, provided such work is approved in writing by the Marina. Invoicing and payment for any authorized sublet or third-party work will be processed by the Marina and in accordance with the requisite work order authorization.

Notice of Replacement Boat: The Owner agrees that the terms of this Licence shall apply to the Boat or any additional or substitute boats brought onto the Marina premises by the Owner. The Owner hereby agrees to provide the Marina with notification of any such additional or substitute boat.
